

Welcome Back!

We are excited to announce the reopening of Alvin Skate N Party! During the last few months, we have done renovations and began to work on our plan for opening our rink.

Guidelines you can expect when visiting the rink:

Staff Requirements: Any employees who are feeling ill **MUST** stay home. Employees showing signs of coughing or shortness of breath will be sent home. Gloves will be required in our snack bar with frequent hand washing routines practiced by all staff members.

Cleaning Requirements: We will continue our regular sanitation and cleaning procedures as always. We have increased the level of sanitizing our facility before we open, after we close and during public hours. Customers will have access to hand sanitizer stations and will be encouraged to wash hands frequently while visiting the rink.

- Frequent Cleaning includes; wiping down popular areas with disinfectant and sanitizing cleaner
- Common Restroom Checks (hourly if not more!)
- Skates and Skatemate Helpers will be sanitized upon every rental and return
- Active Checks for Cleanliness & Safety

Social Distancing: Will be encouraged with frequent announcements made every few songs throughout our facility.

- We will be operating at 50% capacity until further notice
